CLAIM
The ornamental design for a fluted container wall, as shown and described.

DESCRIPTION
FIG. 1 is a perspective view of a fluted container wall in accordance with the present design;
FIG. 2 is a front elevational view of the fluted container wall, the rear and side elevational views are the same;
FIG. 3 is a top plan view of the fluted container wall shown in FIG. 1; and,
FIG. 4 is a bottom plan view of the fluted container wall shown in FIG. 1.
The broken lines showing the bottom and top portion of a container are for illustrative purposed only and forms no part of the claimed design.
