The ornamental design for a mascara brush head, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a mascara brush head showing my new design, the side opposite being a mirror image of the side shown;

FIG. 2 is a side elevational view thereof, the side opposite being a mirror image of the side shown;

FIG. 3 is a front end elevational view thereof; and,

FIG. 4 is a rear end elevational view thereof, with parts of the bristle core being shown in section.

The broken line showing of the brush handle in FIGS. 1 and 2 is for illustrative purposes only and forms no part of the claimed design.
