Claim

The ornamental design for a vehicular cargo liner, as shown and described.

Description

FIG. 1 is a perspective view of my design;
FIG. 2 is a top view of my design;
FIG. 3 is a front elevational view of my design;
FIG. 4 is a back elevational view of my design; and,
FIG. 5 is an elevational view of one side of my design, and opposite side edge view being a mirror image of the side shown.

The back of the vehicular cargo liner is unornamental and forms no portion of the design.
