(57) **CLAIM**

The ornamental design for a stand for dental pharmaceutical bottle, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

1. Stand for dental pharmaceutical bottle

1.1 : Perspective

1.2 : Front

1.3 : Top

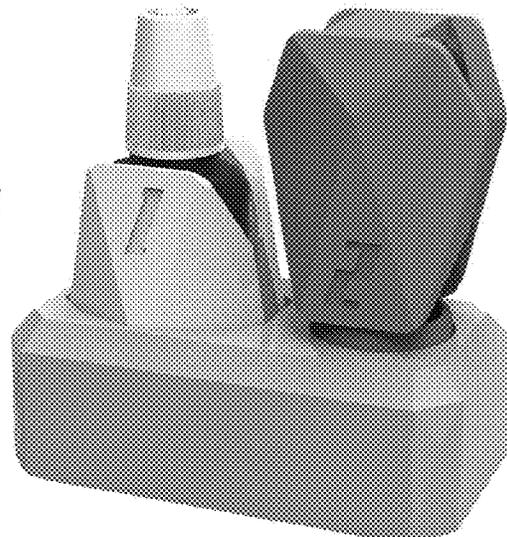

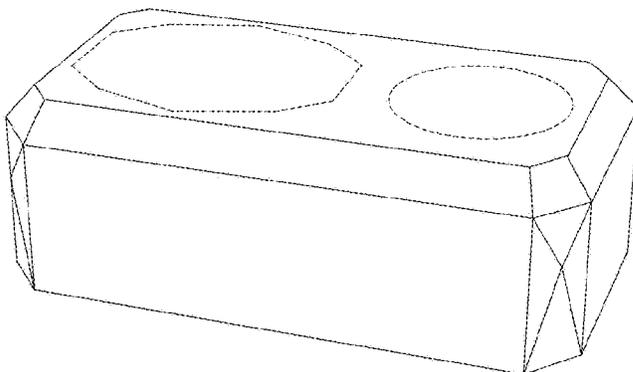

1.4 : Bottom

1.5 : Right side view

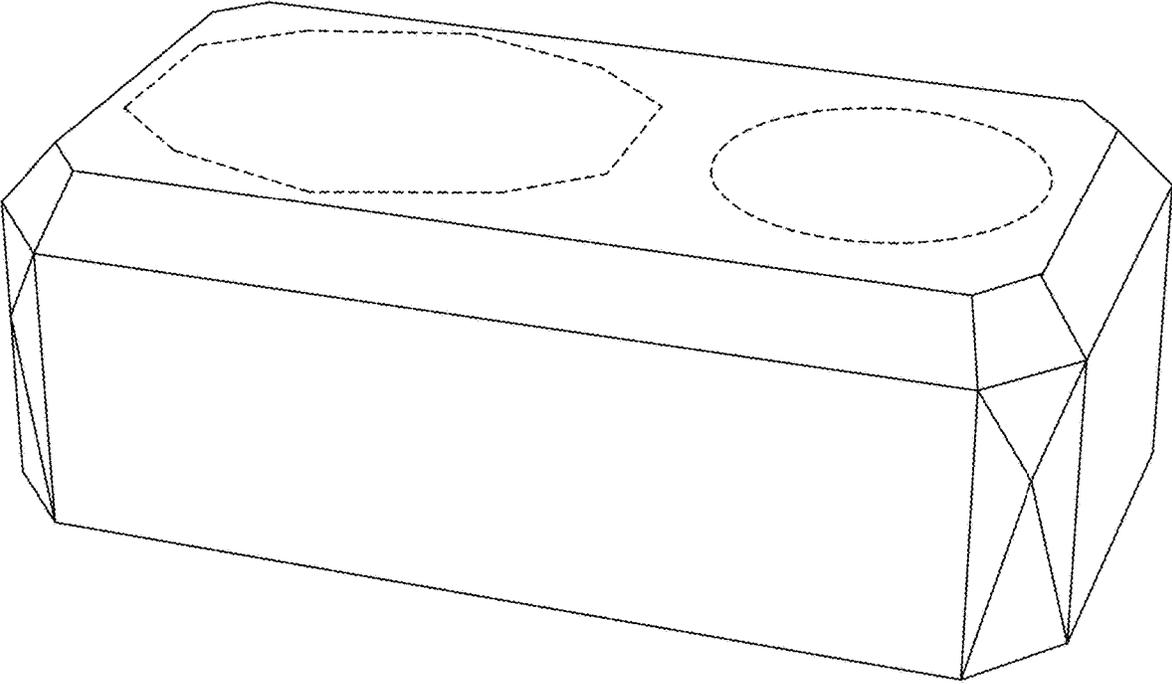

1.6 : Reference view showing the state in use

The article is used for storing a dental pharmaceutical bottle in standing up at the recessed portion illustrated with broken lines; the broken lines in the reproductions form no part of the claimed design; the back view is omitted because it is identical to the front view; the left side view is omitted because it is identical to the right side view; the reproduction 1.6 is a reference view and none of the design shown therein forms no part of the claimed design.
