 CLAIM

The ornamental design for a hand-held device keyboard, as shown and described.

DESCRIPTION

A portion of the disclosure of this design patent document contains material to which a claim of copyright protection is made. The copyright owner has no objection to the facsimilie reproduction of the patent document or the patent disclosure as it appears in the U.S. Patent and Trademark office file or records, but reserves all other copyright rights.

FIG. 1 is a perspective view of a hand held-device keyboard, in accordance with the present invention.

FIG. 2 is a top view thereof; and,

FIG. 3 is another perspective view thereof.

The broken lines showing the environment in the Figures are for illustrative purposes only and form no part of the claimed design.
