CLAIM

The ornamental design for an epidural injection device, as shown and described.

DESCRIPTION

FIG. 1 is a front, left, top perspective view of an epidural injection device showing our design therefor;

FIG. 2 is a rear, bottom, right perspective view thereof;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a left side elevational view thereof;

FIG. 6 is a right side elevational view thereof;

FIG. 7 is a top plan view thereof; and,

FIG. 8 is a bottom plan view thereof.

Throughout the drawings, broken lines in the form of dash-dot-dot lines represent environment and form no part of the design.
