PERIODICAL SUPPORT

William L. Minick, Waynesboro, Pa.

Application January 10, 1951, Serial No. 13,728

Term of patent 14 years

(Cl. D33—2)

To all whom it may concern:

Be it known that I, William L. Minick, a citizen of the United States of America, residing at Waynesboro, in the county of Franklin and State of Pennsylvania, have invented a new, original, and ornamental Design for Periodical Support, of which the following is a specification, reference being had to the accompanying drawing, forming a part thereof, wherein:

Fig. 1 is a front perspective view of a periodical support, showing my new design with one arm extended in operative position and with the other arm in folded position; and

Fig. 2 is a rear elevational view with both arms in folded position.

The characteristic feature of the instant design resides in the caricatured head and features of the female figure portrayed.

I claim:

The ornamental design for a periodical support, as shown and described.

WILLIAM L. MINICK.
