[57] **CLAIM**

The ornamental design for a set top television converter, as shown and described.

DESCRIPTION

FIG. **1** is a front, top and right side perspective view of the set top television converter showing our new design;
FIG. **2** is a top plan view of the converter;
FIG. **3** is a front elevational view of the converter;
FIG. **4** is a right side elevational view of the converter;
FIG. **5** is a left side elevational view of the converter;
FIG. **6** is a rear elevational view of the converter; and,
FIG. **7** is a bottom plan view of the converter.
The broken line showing of a cord in FIGS. **1, 2,** and **4 –7** and of a panel in FIG. **6** is for illustrative purposes only and forms no part of the claimed design.
