(57) **CLAIM**

The ornamental design for an endoscope connector, as shown and described.

DESCRIPTION

FIG. **1** is a top, front and left side perspective view of an endoscope connector showing my new design;
FIG. **2** is a front elevational view thereof;
FIG. **3** is a rear elevational view thereof;
FIG. **4** is a top plan view thereof;
FIG. **5** is a bottom plan view thereof;
FIG. **6** is a left side elevational view thereof;
FIG. **7** is a right side elevational view thereof; and,
FIG. **8** is a top, front and right side perspective view thereof in a manner of use.
The broken line portions of the endoscope connector throughout the drawings are shown to illustrate environment only and form no part of the claimed design.
The dash-dot broken lines in FIGS. **1** to **5**, **7**, and **8** define the bounds of the claimed design and form no part thereof.
