COMBINED FOLDING TABLE AND BENCH CONSTRUCTION UNIT

Carmelo Viola, Los Angeles, Calif.

Application July 6, 1948, Serial No. 147,401

Term of patent 3½ years

(Cl. D3—14)

To all whom it may concern:

I, Carmelo Viola, a citizen of the United States, residing at Los Angeles, county of Los Angeles, State of California, have invented a new, original, and ornamental Design for a Combined Folding Table and Bench Construction Unit, of which the following is the specification, reference being had to the accompanying drawing, constituting a part thereof.

Fig. 1 is a perspective view of a combined folding table and bench construction unit with the table and benches in extended position, showing my new design;

Fig. 2 is a similar perspective view thereof showing the table and benches folded;

Fig. 3 is a front elevation thereof with the table and benches in extended position; and

Fig. 4 is a side elevation of Fig. 3.

The dominant features of my design reside in the portions shown in full lines.

I claim:

The ornamental design for a combined folding table and bench construction unit, substantially as shown and described.

CARMELO VIOLA.
