(57) **CLAIM**

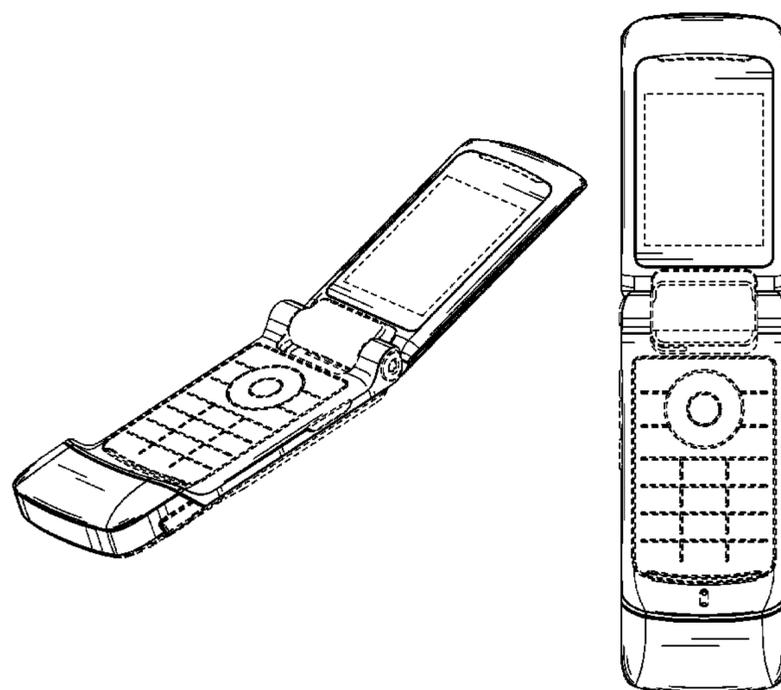

The ornamental design for a housing for a communication device or similar articles, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a housing for a communication device showing our new design; and, FIG. 2 is a front view thereof.

The broken lines shown in the drawing that are immediately adjacent to the shaded areas and define unshaded regions represent the bounds of the claimed design, while all other broken lines are directed to environment and are for illustrative purposes only; the broken lines form no part of the claimed design.
