(57) **CLAIM**

We claim the ornamental design for a display screen with icon, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing will be provided by the Office upon request and payment of the necessary fee.

The single FIGURE is a front view of a display screen with icon showing our new design, which is embodied in a display screen shown in outline in broken lines but forming no part of the claimed design.
