CLAIM

The ornamental design for a door handle unit, as shown and described.

DESCRIPTION

FIG. 1 is a left side elevational view of a door handle unit embodying our new design, the outline depiction of a door being for illustrative purposes only;

FIG. 2 is an inside front elevational view thereof;

FIG. 3 is a right side elevational view thereof, the outline depiction of a door being for illustrative purposes only;

FIG. 4 is an outside front elevational view thereof;

FIG. 5 is a top plan view thereof, the outline depiction of a door being for illustrative purposes only;

FIG. 6 is a bottom plan view thereof, the outline depiction of a door being for illustrative purposes only; and

FIG. 7 is an inside rear elevational view taken in the direction of the arrows on line 7—7 of FIG. 1, the outside rear elevational view being a mirror image thereof.
