UNITED STATES PATENT OFFICE

PAUL JEANTET, OF GENNEVILLIERS, FRANCE, ASSIGNOR TO PAUL JEANTET & CIE., OF GENNEVILLIERS, FRANCE, A JOINT-STOCK COMPANY

DESIGN FOR A PIPE STEM OR SIMILAR ARTICLE

Application filed February 14, 1931, Serial No. 38,666, and in France October 14, 1930. Term of patent 7 years.

To all whom it may concern:

Be it known that I, PAUL JEANTET, a citizen of the Republic of France, residing at Gennevilliers, Seine, France, have invented a new, original, and ornamental Design for a Pipe Stem or Similar Article, of which the following is a specification, reference being had to the accompanying drawings, forming part thereof.

In the accompanying drawings:

Fig. 1 is a perspective, showing approximately at 45° the angular top face of a pipe stem or similar article, according to my new design.

Fig. 2 is another side perspective thereof, viewed from the back and showing also the angular face of the stem.

Fig. 3 is still another side perspective thereof, viewed from the front part and showing the flat face of the stem.

Fig. 4 is a side elevation of the stem.

Fig. 5 is a transverse sectional view, substantially on line 5—5 of Fig. 4.

Fig. 6 is a transverse section on line 6—6 of Fig. 4.

I claim:

The ornamental design for a pipe stem or similar article, as shown.

In testimony whereof I affix my signature.

PAUL JEANTET.
