The ornamental design for a scarf incorporating a pillow to minimize the possibility of a concussion, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the scarf incorporating a pillow to minimize the possibility of a concussion showing my new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a left end elevational view thereof, the right end elevational view being a mirror image of the view shown in this Figure; and,

FIG. 4 is a bottom elevational view thereof, the front elevational view and rear elevational view being identical to the view shown in this Figure.
