[57] **CLAIM**

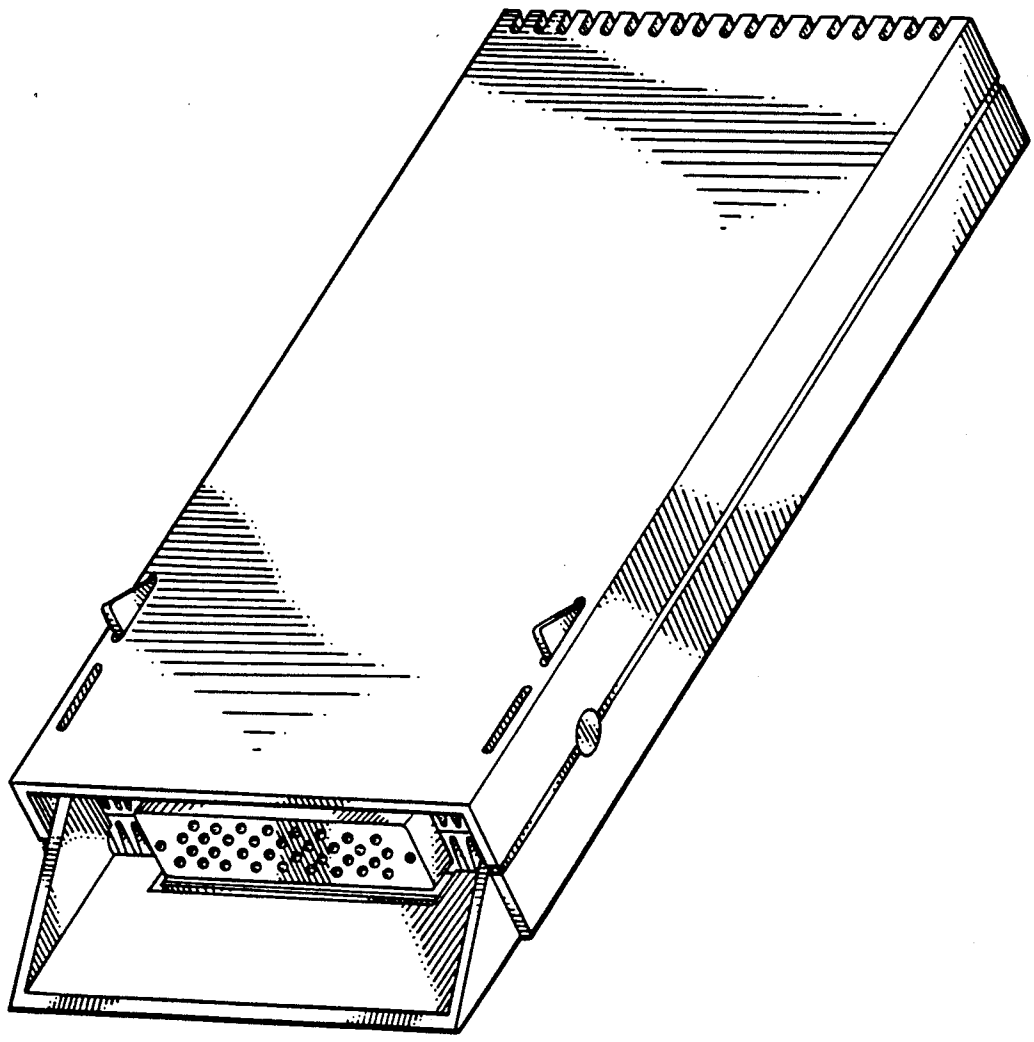

The ornamental design for a connector for linking an integrated system digital network adaptor to a data terminal or the like, as shown.

DESCRIPTION

FIG. **1** is a top, front, and right side perspective view of a connector for linking an integrated system digital network adaptor to a data terminal or the like showing our new design;

FIG. **2** is a top, rear, and left side perspective view thereof; and

FIG. **3** is an enlarged front elevational view thereof.

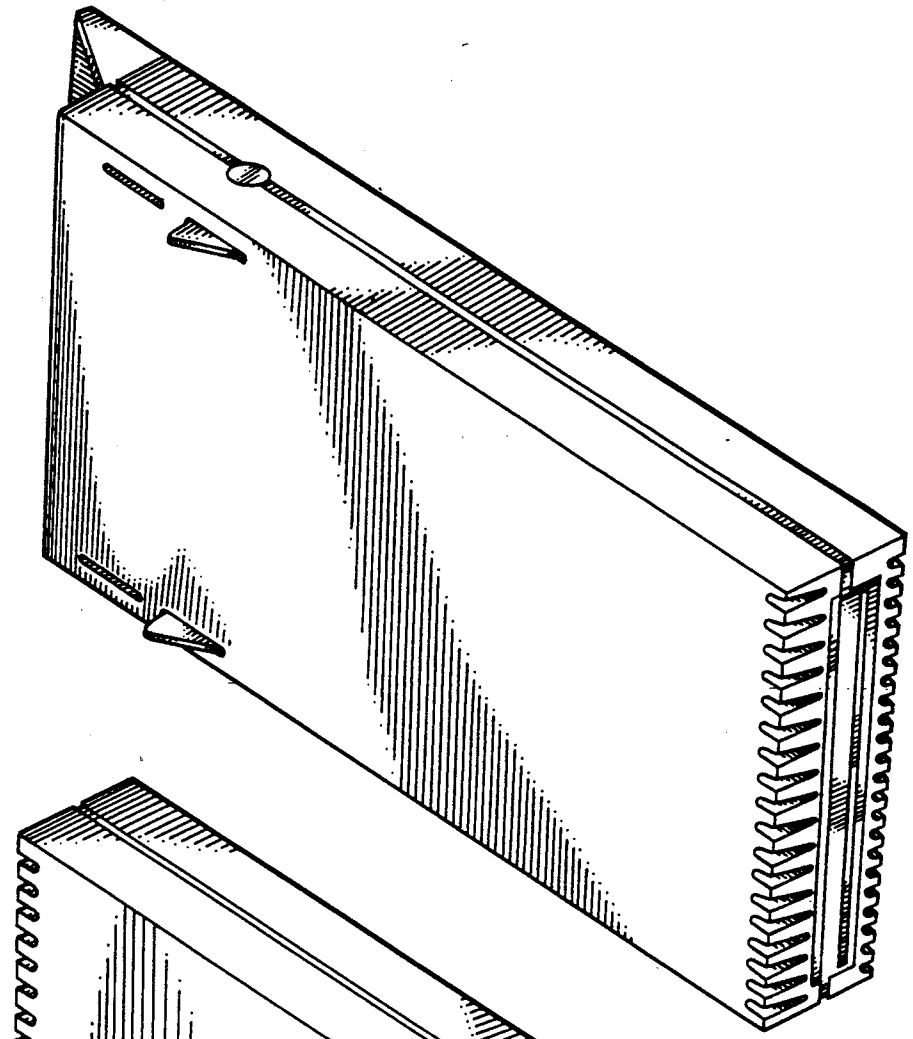

FIG. 2

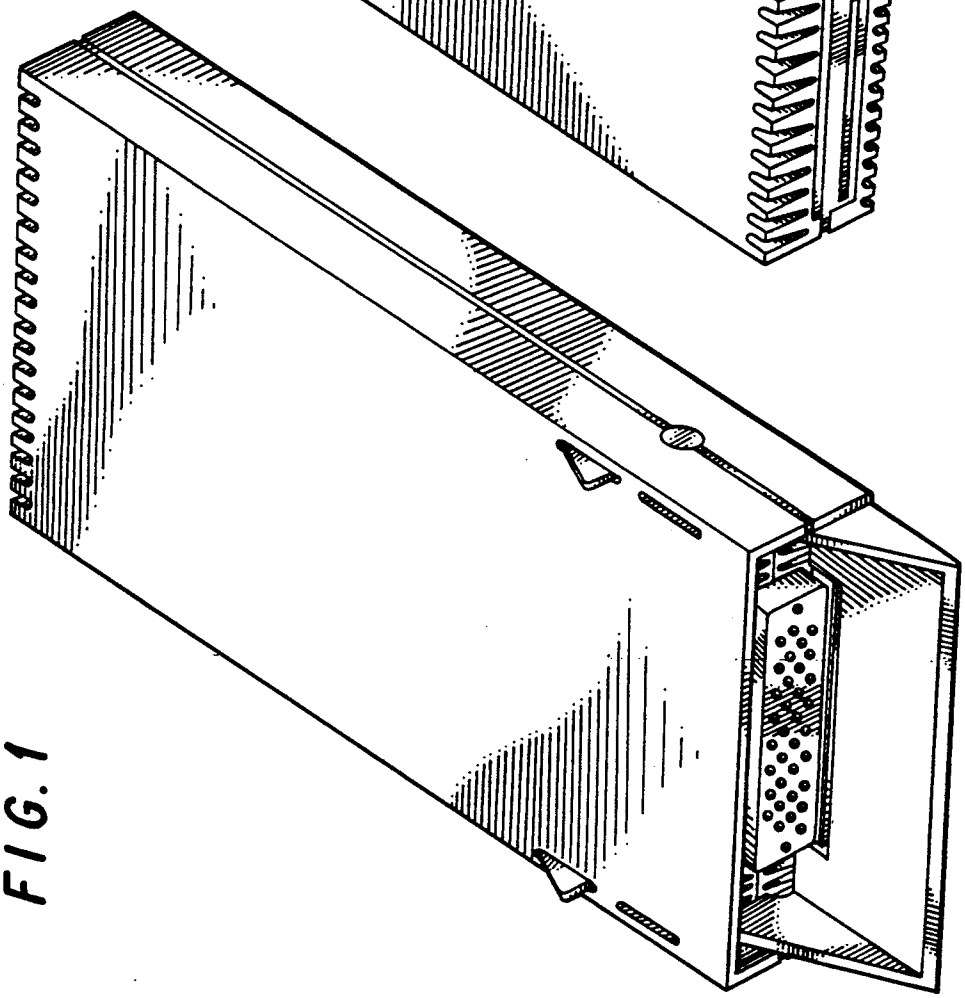

FIG. 1

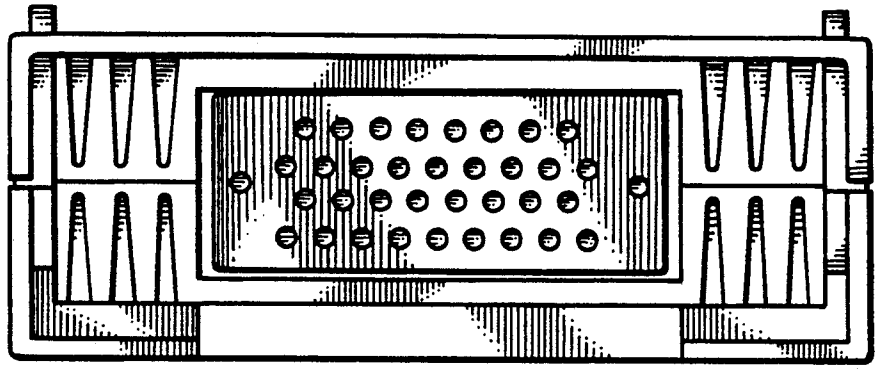

FIG. 3
