Design for a Portable Paving Machine

Versal Forrest Baumgardner, Celina, Ohio

Application May 25, 1942, Serial No. 106,995

Term of patent 14 years

To whom it may concern:

Be it known that I, Versal Forrest Baumgardner, a citizen of the United States, residing at Celina, in the county of Mercer and State of Ohio, have invented a new, original, and ornamental Design for a Portable Paving Machine, of which the following is a specification, reference being had to the accompanying drawings, forming part thereof, wherein:

Figure 1 is a front perspective view of a portable paving machine, embodying my new design.

Figure 2 is a perspective view of a portable paving machine, taken from one side.

Figure 3 is a rear view of a portable paving machine, in perspective.

The design of the opposite side of the machine from that illustrated in Figure 2 is substantially the same as now shown in Figure 2.

I claim:

The ornamental design for a portable paving machine, substantially as shown and described.

Versal Forrest Baumgardner.
