## [57] CLAIM

The ornamental design for an optical disk cartridge, as shown and described.

## DESCRIPTION

FIG. 1 is a perspective view of the top, front end and one side of an optical disk cartridge showing our new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a side elevational view of said one side thereof;

FIG. 4 is a front end elevational view thereof;

FIG. 5 is a bottom plan view thereof;

FIG. 6 is a side elevational view of the opposite side edge thereof;

FIG. 7 is a rear end elevational view; and,

FIG. 8 is a perspective view of the top, front end and one side of an optical disk cartridge showing our new design, the cover moved to the open position; the perspective view of the bottom, front end and one side is a mirror image except that the "B" is substituted for the "A".

FIG. 4

FIG. 5

FIG. 6

FIG. 7

FIG. 8
