[57] **CLAIM**

The ornamental design for an object holder and organizer, as shown and described.

**DESCRIPTION**

A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document of the patent disclosure, as it appears in the Patent and Trademark Office patent file or records, but reserves all other copyrights whatsoever. The single view is a front, right, perspective view of the “object holder and organizer” showing my new design.

The rear view is plain and unadorned.

The left side is a mirror image of the right side.

The bottom and feet form no part of the claimed design.

The broken line showing of a game box, cords, electrical outlet, joystick, booklet, name of article, and logo, is for illustrative purposes only and forms no part of the claimed design.
