Leonard H. Roos and William T. Crespinel, Burbank, Calif., assignors to Kinevox Incorporated, Burbank, Calif., a corporation of California

Application January 9, 1950, Serial No. 7,094

Term of patent 14 years

To all whom it may concern:

Be it known that we, Leonard H. Roos and William T. Crespinel, citizens of the United States of America, residing at 4129 Rowland Avenue, Burbank, California, and 4123 Rowland Avenue, Burbank, California, respectively, in the county of Los Angeles, State of California, have invented a new, original, and ornamental Design for a Synchronous Magnetic Recorder or the like, of which the following is a specification, reference being had to the accompanying drawing, forming a part hereof.

The single figure of the drawing is a perspective view of a synchronous magnetic recorder, showing our new design.

The bottom, back, and opposite side are conventionally plain.

The dominant features of our design are shown in full lines.

We claim:

The ornamental design for a synchronous magnetic recorder or the like, substantially as shown and described.

LEONARD H. ROOS.
WILLIAM T. CRESPINEL.
