CLAIM

The ornamental design for a half-length keyboard, as shown and described.

**DESCRIPTION**

Fig. 1 is a top side view of a half-length keyboard wherein nubbin is shown in broken lines on one of the keys.

Fig. 2 is a bottom side view thereof wherein the circular feet are shown in broken lines.

Fig. 3 is a right side view thereof.

Fig. 4 is a left side view thereof.

Fig. 5 is a front side view thereof.

Fig. 6 is a rear side view thereof, wherein the feet, the power switch, the charging port in the center, and the antenna recess are shown in broken lines.

Fig. 7 is a top, left and rear side isometric view thereof, wherein the power switch, the charging port in the center and the antenna recess are shown in broken lines.

Fig. 8 is a front, top and right side isometric view thereof.

Fig. 9 is front, bottom and left side isometric view thereof wherein the circular feet are shown in broken lines.

The broken lines shown in the figures are shown for environment only and form no part of the claimed design.
