(57) **CLAIM**

The ornamental design for a light fixture, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the light fixture in accordance with my design;

FIG. 2 is a side elevation view thereof showing the adjustable lamps and the pivoting support bars in an alternate position; with the opposite side elevation being a mirror image thereof; and,

FIG. 3 is a bottom plan view thereof showing the adjustable lamps and the pivoting support bars shown in the same alternate positions as FIG. 2.

The broken-line disclosure of elements is understood to represent portions of the article in which the design is embodied, but which form no part of the claimed design.
