CLAIM

The ornamental design for a cutting tool hole, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a cutting tool hole;
FIG. 2 is a side elevational view thereof, taken from the side opposite that illustrated in FIG. 1;
FIG. 3 is a side elevational view thereof, taken from the side illustrated in FIG. 2; and,
FIG. 4 is a close-up view thereof, taken from the side illustrated in FIG. 1.

In the above drawings, any broken line illustration is not part of the design sought to be patented.
