[57] **CLAIM**

The ornamental design for a plate or similar article, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a plate or similar article of conventional configuration showing my new design, with a repeat unit being shown between the dashed lines, it being understood that the design as shown within the dashed line sector continues about the surface of the plate along the indicated path;

FIG. 2 is a top plan view of a plate or similar article of conventional configuration showing a modification of my new design, with a repeat unit being shown between the dashed lines, it being understood that the design as shown within the dashed line sector continues about the surface of the plate along the indicated path.
