D 4-124

DESIGN.

H. BERRY.

BRUSH OR MIRROR BACK.

INVENTOR

Henry Berry.

ATTORNEY.
UNITED STATES PATENT OFFICE.

HENRY BERRY, OF SHELTON, CONNECTICUT, ASSIGNOR TO THE DERBY SILVER COMPANY, OF SAME PLACE.

DESIGN FOR A BRUSH OR MIRROR BACK.

SPECIFICATION forming part of Design No. 22,176, dated January 31, 1893.
Application filed January 3, 1893. Serial No. 467,146. Term of patent 3½ years.

To all whom it may concern:

Be it known that I, HENRY BERRY, a citizen of the United States, residing at Shelton, in the county of Fairfield and State of Connecticut, have invented and produced a new and original Design for a Back for Mirrors, Brushes, and other Articles, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof, and showing a face view of a mirror or brush back bearing my design.

The leading features of my design consist in the shape of the back and the surface ornamentation thereon, as represented in the drawing.

In the accompanying drawing A represents the back, and B the handle for same. The back A and handle B are substantially in the outline of ellipses in line with and merging into each other on graceful curves, the size of the handle being less than that of the back, as illustrated. Upon the back A are the conventionalized foliate scrolls C, D, E, which occupy substantially the entire field of the back, and below these scrolls is the foliate scroll F and combined foliate and floral spray G. The handle B has upon its lower end and opposite sides the conventionalized foliate and floral scrolls H, I, J, as illustrated.

What I claim, is:

The design for a back for mirrors, brushes and other articles, substantially as shown and described.

Signed at Shelton, in the State of Connecticut, this 22d day of December, A. D. 1892.

HENRY BERRY.
