CLAIM
The ornamental design for an artificial paving unit, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of an artificial paving unit according to a first variant of the design;
FIG. 2 is a top view of an artificial paving unit according to a second preferred variant of the design;
FIG. 3 is a top view of an artificial paving unit according to a third preferred variant of the design;
FIG. 4 is a top view of an artificial paving unit according to a fourth preferred variant of the design;
FIG. 5 is a top view of an artificial paving unit according to a fifth preferred variant of the design; and,
FIG. 6 is a top view of an artificial paving unit according to a sixth preferred variant of the design.

The broken line showing of the spacers and grout in the Figures is for illustrative purposes only and forms no part of the claimed design.
