William Resor, of Cincinnati, Ohio.
Letters Patent N^o 799, Dated June 3, 1856.

The schedule referred to in these Letters Patent, and making part of
the same.

To all whom it may concern:

Be it known that I, William Resor, of Cincinnati,
Hamilton County, Ohio, have invented a new Design for a Cooking Stove
called the "Lotus," and I do hereby declare that the following is a full
and exact description thereof, reference being had to the annexed draw-
ings making part of this specification.

In the accompanying drawing

Fig 1, is a perspective view.

Fig 2, represents the end fire door.

Fig 3, is an oven door

Fig 4, is a front fire door — these several doors are decorated

at their central spaces with flowers and foliage (a).

Fig 5 represents a leg.

Panels at front of the stove on each side of the front fire doors are decorated as shown at (b, fig. 1.)

The upper portion of the leg bears a shield (c) with a scalloped central boss (d) The lower end of the leg is enriched with a leaf (e).

I claim the design for the "Lotus" cooking stove substantially as described and represented.

In testimony whereof, I hereunto set my hand before two subscribing witnesses.
