To all whom it may concern:

Be it known that I, BURNSIDE ELLSWORTH SAwyER, a citizen of the United States, residing at Fitchburg, in the county of Wor-cestor and State of Massachusetts, have invented certain new and useful Improvements in Golf-Ball Tees or Supports, of which the following is a specification.

This invention relates to teeing a ball on the tees of a golf course. The principal objects of this invention is to provide means by which a ball can be supported at a predeter-

"Fig. 1 is a plan view of the tee;"

"Fig. 2 is a side view of the tee supporting a ball;"

"Fig. 3 is a face view of Fig. 2;"

"Fig. 4 is a plan view showing position of tee when collapsed under the force of a drive; and"

"Fig. 5 is a side view of Fig. 4, showing relative position of collapsed tee to the ball."
