**CLAIM**

The ornamental design for a landscape tarp with releasably attached body sections, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a new design for a landscape tarp with releasably attached body sections.

FIG. 2 is a front view of a new design for a landscape tarp with releasably attached body sections.

FIG. 3 is a rear view of a new design for a landscape tarp with releasably attached body sections.

FIG. 4 is a left side view of a new design for a landscape tarp with releasably attached body sections.

FIG. 5 is a right side view of a new design for a landscape tarp with releasably attached body sections.

FIG. 6 is a top view of a new design for a landscape tarp with releasably attached body sections.

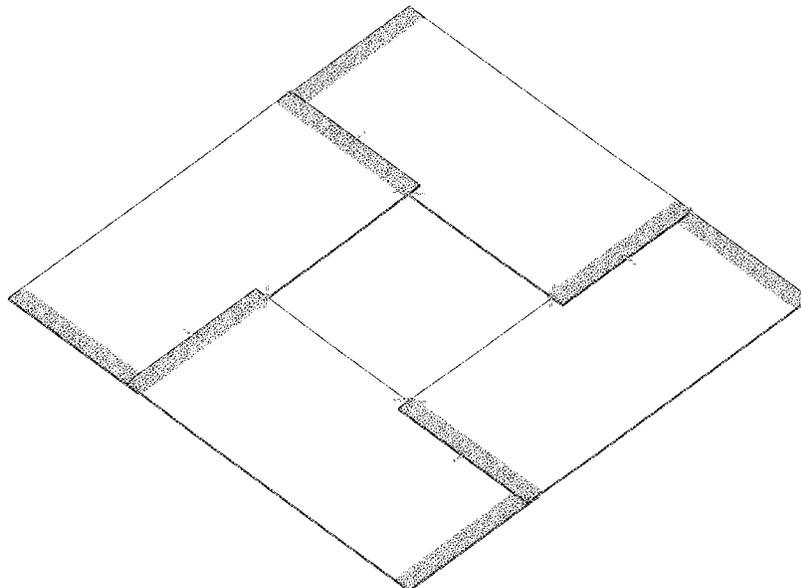

FIG. 7 is a bottom view of a new design for a landscape tarp with releasably attached body sections; and,

FIG. 8 is a perspective view of a new design for a landscape tarp with releasably attached body sections.

The broken lines are included for the purpose of illustrating portions of the landscape tarp with releasably attached body sections and form no part of the claimed design.

The additional broken lines shown in FIG. 8 are for the purpose of illustrating an environment of use and form no part of the claimed design.
