Patent Number: Des. 365,527

Date of Patent: Dec. 26, 1995

The ornamental design of a hand-held measurement device with grip, as shown and described.

DESCRIPTION

FIG. 1 is a front plan view of the hand-held measurement device with grip, the phantom lines not being a part of the invention;

FIG. 2 is a left side plan view having a mirrored right side plan view of the hand-held measurement device with grip;

FIG. 3 is a top plan view having a mirrored bottom plan view of the hand-held measurement device with grip; and,

FIG. 4 is a back plan view of the hand-held measurement device with grip.
