CLAIM

The ornamental design for a bulk candy display unit, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a bulk candy display unit showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a side elevational view thereof; and,

FIG. 4 is a top plan view thereof.

The bulk candy display unit of the present invention has been broken away at one end thereof to indicate an indeterminate length, it being understood that the design is repeated uniformly throughout the length of the bulk candy display unit and that the undisclosed end is the same as the one shown in FIGS. 1 and 3.
