(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole figure shows a display screen or portion thereof with graphical user interface showing our new design. The peripheral dashed broken lines represent a display screen that surrounds a graphical user interface; the peripheral dashed broken lines form no part of the claimed design. The dashed broken lines within the peripheral dashed broken lines represent unclaimed elements of a graphical user interface; the dashed broken lines form no part of the claimed design.
