DESIGN FOR A PROPRIETARY MEDICINE BAR

Alex Blackstone, New York, N. Y.

Application December 22, 1933, Serial No. 50,187

Term of patent 14 years

To all whom it may concern:

Be it known that I, ALEX BLACKSTONE, a citizen of the United States, and resident of the city, county, and State of New York, have invented a new, original, and ornamental Design for a Proprietary Medicine Bar, of which the following is a specification, reference being had to the accompanying drawing, forming a part thereof, in which the figure is a perspective view of the bar, showing my new design.

A salient feature of the design is the provision of a rounded protuberance specifically an approximately hemispherical protuberance, at the top of each tablet. A different number of tablets than six may be employed.

I claim:

The ornamental design for a proprietary medicine bar, substantially as shown and described.

ALEX BLACKSTONE.
