[57] **CLAIM**
The ornamental design for a headrail for a vertical vane covering for architectural openings, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view looking downwardly at the headrail for a vertical vane covering for architectural openings;
FIG. 2 is an isometric view similar to FIG. 1 looking upwardly;
FIG. 3 is a top plan view thereof;
FIG. 4 is a left end elevation thereof the right end being a mirror image;
FIG. 5 is a front elevation thereof; and,
FIG. 6 is a bottom plan view thereof.
The broken lines showing suspended vanes, control cords and parts of a control system in FIG. 1 are for illustrative purposes only and form no part of the claimed design.
