(57) **CLAIM**

The ornamental design for a keyway mold for a gravity wall, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a keyway mold for a gravity wall of the present invention;
 FIG. 2 is a rear view of the keyway mold for a gravity wall of the present invention;
 FIG. 3 is a bottom view of the keyway mold for a gravity wall of the present invention;
 FIG. 4 is a top view of the keyway mold for a gravity wall of the present invention; and
 FIG. 5 is a right side view of the keyway mold for a gravity wall of the present invention;
 FIG. 6 is a left side view of the keyway mold for a gravity wall of the present invention;
 FIG. 7 is a front perspective view of the keyway mold for a gravity wall of the present invention; and,
 FIG. 8 is a rear perspective view of the keyway mold for a gravity wall of the present invention.
