(57) **CLAIM**

The ornamental design for an electrical extension device, as
shown and described.

DESCRIPTION

FIG. 1 is a rear, left side perspective view of a first embodi-
ment of the electrical extension device.

FIG. 2 is a left side elevational view thereof.

FIG. 3 is a top plan view thereof.

FIG. 4 is a rear elevational view thereof.

FIG. 5 is a front elevational view of FIG. 1, with the environ-
ment removed for clarity of disclosure.

FIG. 6 is a bottom plan view thereof.

FIG. 7 is a bottom, left side perspective view thereof.

FIG. 8 is a rear, left side perspective view of a second embodi-
ment of the electrical extension device.

FIG. 9 is a rear, left side perspective view of a third embodi-
ment of the electrical extension device.

FIG. 10 is a left side elevational view thereof.

FIG. 11 is a top plan view thereof.

FIG. 12 is a bottom plan view thereof.

FIG. 13 is a bottom, left side perspective view thereof.

Additionally, the rear and front elevation views are omitted
for this variation, because these views are the same as FIGS.
4 and 5, respectively.

FIG. 14 is a rear, left side perspective view of a fourth embodi-
ment of the electrical extension device.

FIG. 15 is a rear, left side perspective view of a fifth embodi-
ment of the electrical extension device; and,

FIG. 16 is a rear, left side perspective view of a sixth embodi-
ment of the electrical extension device.

The broken lines in the drawings depict environmental sub-
ject matter and/or disclaimed subject matter and form no part
of the claimed design.

1 Claim, 15 Drawing Sheets
