1676X

N. LLOYD.

Cook Stove.

Patented Feb. 29, 1812.

N. PETERS, Photo-Lithographer, Washington, D. C.

X16

Philadelphia ss

Personally appeared before me the subscriber, one of the Justices of the peace for the City of Philadelphia, the within named Nicholas Lloyd, and made oath, that he verily believes himself to be the true and original Inventor or discoverer, of the within mentioned improvement on Stoves.

In witness whereof I have hereunto subscribed my name, this twenty ninth day of January, in the year one thousand eight hundred and twelve

Jacob Baker Alderman

This is to Certify that the within mentioned Nicholas Lloyd is a Citizen of the State of Pennsylvania.

Wm G. Oliver

Joseph Ball

We the subscriber And Wm Esple do hereby certify that we have examined the stove as improved by N. Lloyd of the City of Philadelphia and find it in operation to answer fully the description as attached to the Drawings
