I claim the ornamental design for a wire rope grip, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a top of the wire rope grip and from a front end according to my design;

FIG. 2 is a perspective view of a bottom of the wire rope grip and from the front end according to my design;

FIG. 3 is top plan view of the wire rope grip according to my design;

FIG. 4 is a left side elevational view of the wire rope grip according to my design;

FIG. 5 is a bottom plan view of the wire rope grip according to my design;

FIG. 6 is a right side elevational view of the wire rope grip according to my design;

FIG. 7 is a front elevational view of the wire rope grip according to my design; and,

FIG. 8 is a rear elevational view of the wire rope grip according to my design.

1 Claim, 3 Drawing Sheets
