[57] **CLAIM**

The ornamental design for a shelf and drawer unit, as shown and described.

DESCRIPTION

FIG. 1 is a top left front perspective view of a shelf and drawer unit showing our new design. The surface pattern which is fragmentally shown is understood to repeat uniformly and continuously across the entire indicated surface; FIG. 2 is a front elevational view thereof; FIG. 3 is a top plan view thereof; FIG. 4 is a left side elevational view thereof; the right side elevational view being a mirror image; FIG. 5 is a rear elevational view thereof; and, FIG. 6 is a bottom plan view thereof.
