Title: PRESENTATION OF RANKED IMAGE QUERY RESULTS TO A CLIENT

Abstract: Method for providing image information to a client device comprising: Receiving a search query from the client device. Effecting a search in respect of the search query. Sending, to the client device ranked search results, the search results including a group of images and an individual image, each image having a rank. Sending to the client device instructions to cause a display of a search engine results page (SERP) including the individual image and a visual representation of the group of images. The visual representation of the group of images and the individual image are displayed in an array according to rank. The group of images are ranked according to the rank of a highest ranked image thereof. The visual representation of the group of images is visually distinguishable from the individual image. The visual representation of the group of images includes an image of the group of images.
INTERNATIONAL SEARCH REPORT

International application No. PCT/IB 14/61501

A. CLASSIFICATION OF SUBJECT MATTER

IPC(8) - G06F 17/30 (2014.01)
CPC - G06F 17/30991

According to International Patent Classification (IPC) or to both national classification and IPC

B. FIELDS SEARCHED

Minimum documentation searched (classification system followed by classification symbols)

IPC(8) Classification(s): G06F 17/30; 17/00; G06K 9/62 (2014.01)
CPC Classification(s): G06F 17/30991; 17/30873; 17/30686; Y10S 707/99933

Documentation searched other than minimum documentation to the extent that such documents are included in the fields searched

Electronic data base consulted during the international search (name of data base and, where practicable, search terms used)

C. DOCUMENTS CONSIDERED TO BE RELEVANT

Further documents are listed in the continuation of Box C.

* Special categories of cited documents:

"A" document defining the general state of the art which is not considered to be of particular relevance

"E" earlier application or patent but published on or after the international filing date

"L" document which may throw doubts on priority claim(s) or which is cited to establish the publication date of another citation or other special reason (as specified)

"O" document referring to an oral disclosure, use, exhibition or other means

"P" document published prior to the international filing date but later than the priority date claimed

"T" later document published after the international filing date or priority date and not in conflict with the application but cited to understand the principle or theory underlying the invention

"X" document of particular relevance; the claimed invention cannot be considered novel or cannot be considered to involve an inventive step when the document is taken alone

"Y" document of particular relevance; the claimed invention cannot be considered to involve an inventive step when the document is combined with one or more other such documents, such combination being obvious to a person skilled in the art

"Z" document member of the same patent family

Date of the actual completion of the international search 16 December 2014 (16.12.2014)

Date of mailing of the international search report 06 JAN 2015
