(57) **CLAIM**

The ornamental design for a cap for hair color bottle, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of the cap for hair color bottle, which embodies my design;
FIG. 2 is a side view of the cap for hair color bottle;
FIG. 3 is a top plane view of the cap for hair color bottle;
FIG. 4 is a bottom plane view of the cap for hair color bottle;
FIG. 5 is top side view of the cap for hair color bottle; and,
FIG. 6 is an illustrative view of the cap for hair color bottle showing my new design in a position of use.
The broken line showing of a bottle in FIG. 6 DEPICTS environmental subject matter only and forms no part of the claimed design.
