United States Patent Office

Des. 185,286
Patented May 26, 1959

185,286

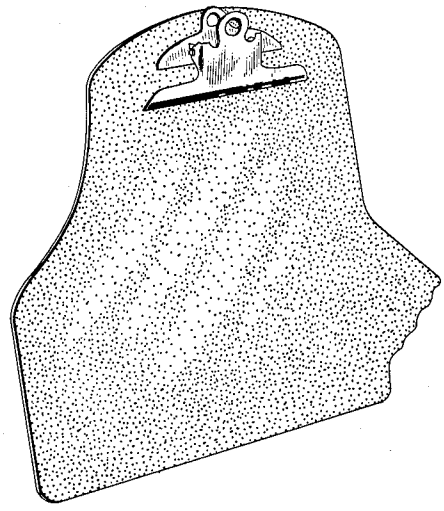

CLIP BOARD

Rex D. Howard, Las Vegas, Nev.

Application January 17, 1958, Serial No. 49,289

Term of patent 7 years

(Cl. D74—1)

The figure on the drawing is a front perspective view of a clip board showing my new design; the back thereof being plain and unornamented.

I claim:

The ornamental design for a clip board, substantially as shown.
