DESCRIPTION
FIG. 1 is a bottom perspective view of the ceiling fan bracket unit showing my design;
FIG. 2 is a bottom plan view thereof;
FIG. 3 is a front view thereof, the rear being substantially identical to that shown except for the position of the blades;
FIG. 4 is a right side view thereof, the opposite side being substantially identical to that shown except for the position of the blades; and,
FIG. 5 is a top plan view thereof.
Any broken line illustration of environmental structure in the drawings is not part of the design sought to be patented.
