CLAIM

The ornamental design for a portable communication device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the portable communication device;

FIG. 2 is a front view of the portable communication device;

FIG. 3 is a rear view of the portable communication device;

FIG. 4 is a left side view of the portable communication device;

FIG. 5 is a right side view of the portable communication device;

FIG. 6 is a top view of the portable communication device;

and,
FIG. 7 is a bottom view of the portable communication device.

The broken lines depict portions of the portable communication device in which the design is embodied that are not considered part of the claimed design.

1 Claim, 5 Drawing Sheets
