(57) **CLAIM**

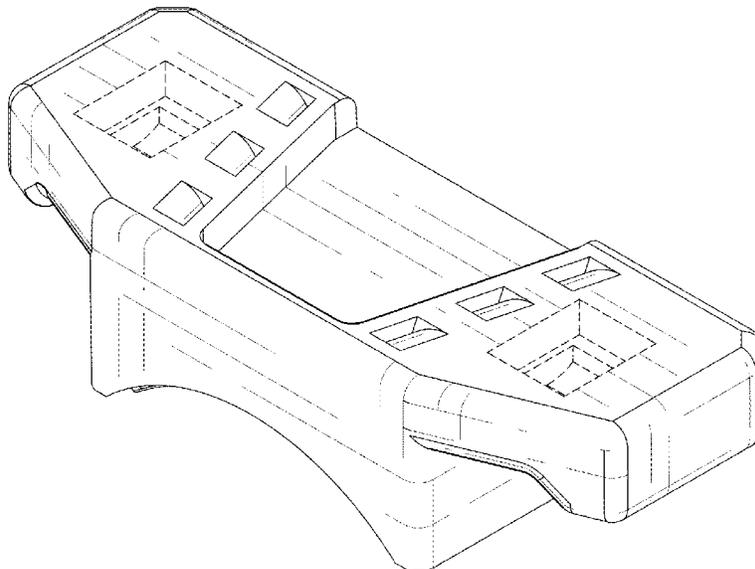

The ornamental design for an upper platen for heat press, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of top and left sides of an upper platen of a heat press embodying the new design; FIG. 2 is a front view of the upper platen of the heat press thereof; FIG. 3 is a right side view of the upper platen of the heat press thereof; FIG. 4 is a left side view of the upper platen of the heat press thereof; FIG. 5 is a perspective view of the bottom and left sides of an upper platen of a heat press embodying the new design; FIG. 6 is a bottom plan view of the upper platen of the heat press thereof; FIG. 7 is a rear plan view of the upper platen of the heat press thereof; and, FIG. 8 is a top plan view of the upper platen of the heat press thereof.

The broken lines show features of the heat press that form no part of the claimed designs of FIGS. 1 through 8.
