Assignee: BSquare Corporation, Bellevue, WA (US)

Term: 14 Years

Filed: Jun. 21, 2002

CLAIM

The ornamental design for a hand-held device keypad, as shown and described.

DESCRIPTION

A portion of the disclosure of this design patent document contains material to which a claim of copyright protection is made. The copyright owner has no objection to the facsimile reproduction of the patent document or the patent disclosure as it appears in the U.S. Patent and Trademark office file or records, but reserves all other copyright rights.

FIG. 1 is a top view of a hand-held device keypad, in accordance with the present invention; and, FIG. 2 is a front elevation view thereof. The broken lines showing the environment in FIG. 2 are for illustrative purposes only and form no part of the claimed design.
