(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

**DESCRIPTION**

A portion of the disclosure of this patent document contains material to which a claim for copyright and trademark is made. The copyright and trademark owner has no objection to the reproduction of the patent document of the patent disclosure, as it appears in the U.S. Patent Office records, but reserves all other copyright and trademark rights whatsoever. The figure is a front view of a display screen or portion thereof with graphical user interface for a display screen or portion thereof.

The broken lines showing a display screen or portion thereof, text and other elements form no part of the claimed design.
