(57) **CLAIM**

The ornamental design for a candle body with decorative crystal formations, as shown and described.

DESCRIPTION

FIG. **1** is a front elevational view, the rear being substantially identical, of a candle with crystal formations showing our new design, shown in one embodiment;

FIG. **2** is a perspective view of the candle shown in FIG. **1**; and,

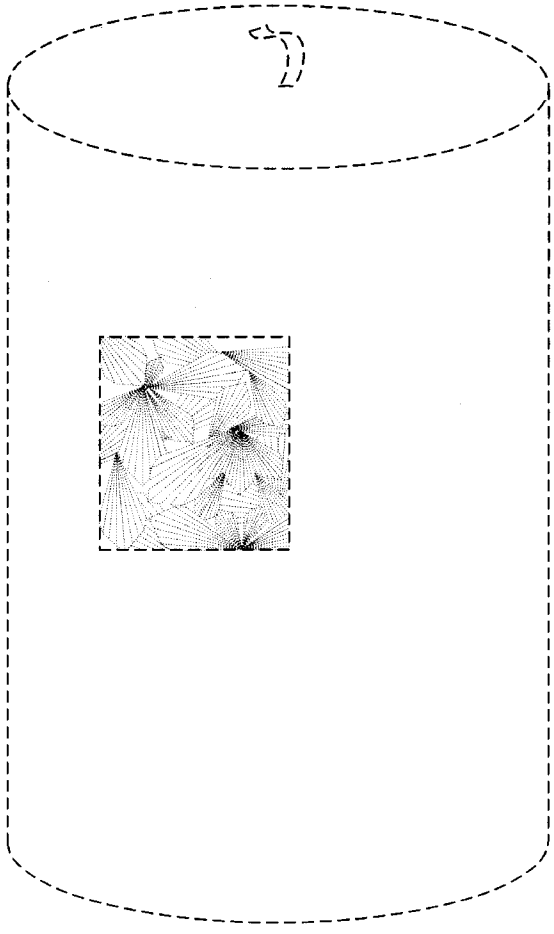

FIG. **3** is a bottom plan view of the candle shown in FIG. **1**.

The broken line showing of a candle body is for illustrative purposes only and forms no part of the claimed design.

The characteristic feature resides in the decorative appearance of the crystal formations of the candle body, without regard to the size, shape, or color of the candle body, or whether it is within a container or without.

The broken line showing of a candle body is for illustrative purposes only and forms no part of the claimed design.
