CLAIM

The ornamental design for a combined razor and shaving cream dispenser, as shown and described.

DESCRIPTION

FIG. 1 is an exploded front elevational view of the combined razor and shaving cream dispenser showing our new design;
FIG. 2 is an exploded rear elevational view thereof;
FIG. 3 is an exploded left side elevational view thereof;
FIG. 4 is a right side elevational view of the assembled design;
FIG. 5 is an exploded top plan view thereof; and,
FIG. 6 is an exploded bottom plan view thereof.
The undisclosed inner wall of the cap is unornamented and follows the contours of the outer surface shown.
