(57) **CLAIM**

The ornamental design for the rolled roofing material, as shown and described.

DESCRIPTION

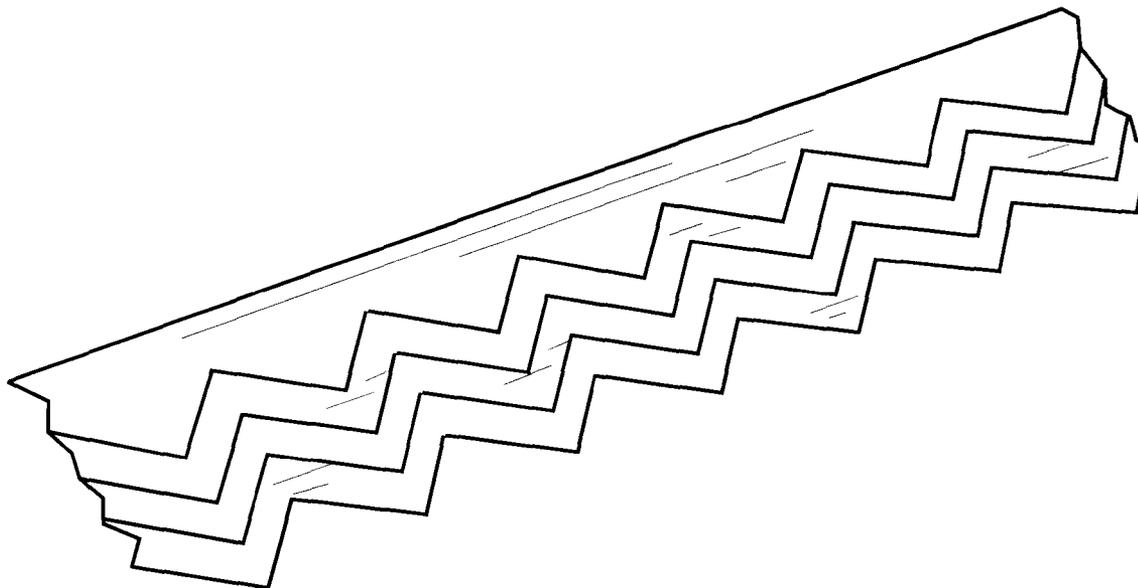

FIG. 1 is a perspective view of the decorative roof with the peaks lined up from row to row;

FIG. 2 is a top plan view of the decorative roof design of FIG. 1; and,

FIG. 3 is a fragmented enlarged view of the rolled roofing material showing a portion of the claimed design that has been cut out of a roll of roofing material. The broken lines are for illustrative purposes only and form no part of the claimed design.

The ends of the claimed design are broken away to indicate indeterminate length.
